

# Thuraya XT-LITE

Simple. Reliable. Affordable.

## This is Thuraya XT-LITE

Ideal to keep your mining operations connected and cost-efficient, the Thuraya XT-LITE offers users the best value for money to keep you and your colleagues connected at all times. With an advanced, omnidirectional antenna, the XT-LITE offers you a seamless walk-and-talk experience, perfect for making calls at remote mining sites and while on the move. You'll also receive call notifications even when the antenna is stowed, so you'll be connected at all times.

Make calls and send SMS messages in satellite mode when terrestrial networks are unavailable, with our attractive airtime plans, connecting and optimizing your operations. While doing so, enjoy a long-lasting battery life of 6 hours of talk time, and up to 80 hours on standby. Its durable and easy-to-use design makes the XT-LITE the perfect addition to your kit during exploration, extraction, and other mining support activities.

## Product Features

### Calls and Text Messages in Satellite Mode

The Thuraya XT-LITE lets you make calls and send SMS messages in satellite mode when terrestrial networks are unavailable. For uninterrupted communication, our advanced omnidirectional antenna ensures seamless walk-and-talk functionality for calls on-the-go.

### Long-lasting battery life

Thuraya's XT-LITE enables reliable communications with a long-lasting battery which provides users with up to six hours of talk time and up to 80 hours of standby time.

### Easy to use

The XT-LITE satellite handset is designed for ease of use. Simply charge your phone and make sure your SIM card is working... and you're ready to go. What's more, users can program the Thuraya XT-LITE to one of the 12 languages available.

### Supported by the most robust and powerful satellite network

Thuraya's satellite network is renowned for having reliable satellite coverage that includes two-thirds of the globe. The Thuraya XT-LITE also lets you receive a call notification even when the satellite antenna is stowed, keeping you connected at all times.

Your budget-friendly satellite phone.
