

## Thuraya XT-LITE

Simple. Reliable. Affordable.

### This is Thuraya XT-LITE

Ideal for your relief operations to be connected and cost-efficient, the Thuraya XT-LITE offers humanitarian workers the best value for money to keep you and your emergency teams connected at all times. With an advanced, omnidirectional antenna, the XT-PRO offers you a seamless walk-and-talk experience, perfect for making calls when managing disasters. You'll also receive call notifications even with the antenna stowed, so you'll never miss an emergency update.

The XT-LITE boasts a long-lasting battery life, with 6 hours of talk-time and up to 80 hours on standby, so you can ensure you're always responsive to ongoing rescue missions. Its durable and easy-to-use design makes the XT-LITE the perfect addition to emergency organizations and relief workers.

### Product Features

- 
**Calls and Text Messages in Satellite Mode**  
 The Thuraya XT-LITE lets you make calls and send SMS messages in satellite mode when terrestrial networks are unavailable. For uninterrupted communication, our advanced omnidirectional antenna ensures seamless walk-and-talk functionality for calls on-the-go.
- 
**Long-lasting battery life**  
 Thuraya's XT-LITE enables reliable communications with a long-lasting battery which provides users with up to six hours of talk time and up to 80 hours of standby time.
- 
**Easy to use**  
 The XT-LITE satellite handset is designed for ease of use. Simply charge your phone and make sure your SIM card is working... and you're ready to go. What's more, users can program the Thuraya XT-LITE to one of the 12 languages available.
- 
**Supported by the most robust and powerful satellite network**  
 Thuraya's satellite network is renowned for having reliable satellite coverage that includes two-thirds of the globe. The Thuraya XT-LITE also lets you receive a call notification even when the satellite antenna is stowed, keeping you connected at all times.

Your budget-friendly satellite phone.
